Dear Mrs. Manley:

In reply to your letter of July 20,
August 3rd is set and we agree to
a 50/50 split after deducting for
park rental, lights, advertising,
balls, attendants, police, promotion
and of course the 10% amusement tax
which is added to the ticket price.
We suggest that you play a double-
header the first game to start at
6:30 P.M., this to be only a seven
inning game. If you play only a
single game it should start at 8:30.
We believe that a double-header will
draw a much larger gate.
